Introduction

As the UK's property market continues to show dynamic shifts, understanding the earning potential across different regions is crucial for professionals in this sector.

"The UK Mortgage Broker Salary Guide: Comparative Salary Insights for 2025 Q1," presented by NRG Resourcing, is a comprehensive guide designed to share the earning trends for mortgage brokers across the UK.

This up-to-date guide serves as a vital resource for mortgage brokers, financial advisers, and industry professionals seeking to gain a deeper understanding of the current salary landscape.

About NRG Resourcing

At NRG Resourcing, we are dedicated to empowering businesses in the mortgage sector. With a laser-focused approach, we specialise exclusively in the mortgage industry, ensuring that our expertise is not just broad but deep, offering nuanced understanding and insights that are second to none.

We believe in building partnerships, not just filling vacancies. This ethos drives us to delve deeply into understanding both the needs of our clients and the aspirations of our candidates. It's a strategy that has proven successful, allowing us to consistently match the right talent with the right opportunities.

If you're ready to change your professional life, or alter the trajectory of your business, with a specialist recruiter that builds long-term relationships, contact us today: **02382 146 070** or **info@nrg-resourcing.co.uk**

London

In the heart of the UK's financial hub, London presents a dynamic and competitive landscape for mortgage brokers. The capital's diverse property market offers unique opportunities, with earnings often reflecting the high cost of living and the complexity of deals.

Role	Average	Low	High
Trainee Mortgage Broker	31000	27000	35000
Mortgage Broker	39000	31000	47000
Mortgage Administrator	28000	24000	32000
Mortgage Paraplanner	42000	33000	51000
Protection Advisor	36000	27000	45000

North East

The North East, known for its rich cultural heritage and growing property market, offers a range of opportunities for mortgage brokers. This region balances a more affordable cost of living with competitive earnings, making it an attractive area for professionals seeking both career growth and quality of life.

Role	Average	Low	High
Trainee Mortgage Broker	26500	23500	29500
Mortgage Broker	28500	24000	34000
Mortgage Administrator	18500	16000	22000
Mortgage Paraplanner	33500	27000	40000
Protection Advisor	29000	25000	33000

North West

The North West, with its vibrant cities and scenic countryside, is a region of diverse property needs. Mortgage brokers here benefit from a robust market that caters to a mix of urban and rural properties, offering a varied and rewarding professional experience.

Role	Average	Low	High
Trainee Mortgage Broker	26500	23500	29500
Mortgage Broker	35500	29000	42000
Mortgage Administrator	23500	20000	27000
Mortgage Paraplanner	34500	27000	42000
Protection Advisor	28000	23000	33000

South West

The South West has a unique property market. Mortgage brokers in this region navigate a mix of rural retreats and urban developments, with earnings that reflect the diverse range of properties and clients.

Role	Average	Low	High
Trainee Mortgage Broker	27000	23500	30500
Mortgage Broker	32500	29000	36000
Mortgage Administrator	24500	21000	28000
Mortgage Paraplanner	35500	28000	43000
Protection Advisor	31000	27000	35000

South Wales

South Wales, with its stunning coastlines and industrial heritage, offers a distinct market for mortgage brokers. The region's property market is buoyed by both urban development and rural charm, providing brokers with a variety of clientele and earning potentials.

Role	Average	Low	High
Trainee Mortgage Broker	27500	25000	30000
Mortgage Broker	31500	26000	37000
Mortgage Administrator	24000	21000	27000
Mortgage Paraplanner	38000	29000	47000
Protection Advisor	28000	23000	33000

Scotland

Scotland's rich history and vibrant modern cities create a unique environment for mortgage brokers. The Scottish property market, with its own legal system and varied landscape, offers professionals the chance to engage with a diverse range of property transactions and earnings.

Role	Average	Low	High
Trainee Mortgage Broker	22000	21500	22500
Mortgage Broker	34000	28000	40000
Mortgage Administrator	25000	21000	29000
Mortgage Paraplanner	36500	30000	43000
Protection Advisor	27000	22000	32000

Midlands

The Midlands, known as the heart of England, offers a balanced property market with both urban and rural appeal. Mortgage brokers in this region benefit from a steady market with diverse opportunities, reflecting the area's mix of historical towns and bustling cities.

Role	Average	Low	High
Trainee Mortgage Broker	26500	23500	29500
Mortgage Broker	32000	24000	40000
Mortgage Administrator	24000	20000	28000
Mortgage Paraplanner	36500	29000	44000
Protection Advisor	28500	23000	34000
